

Jaffa Smash

The 3/4 Team will be running a Jaffa smash competition as our fundraiser at this year's school fair on Saturday 1st April 2017.

What is Jaffa Smash?

A Jaffa is placed in the Jaffa Smash machine and quickly rolls down black tubing. When it comes out the end, the entrant must hit it with a mallet before it runs off the table. Every entrant that manages to hit the Jaffa as it comes out the tube will receive a zip lock bag with prizes in it.

We would love your help in donating a few prizes that the ultra-fast Jaffa smashers will win.

The 3/4 class that donates the most zip-lock bags filled with prizes will win a special super cool surprise!!!!

In the bags you can place:

(New or good quality second-hand)

Toys, books, games,

Stickers,

Bouncing balls,

Balloons or party things,

Wrapped lollies/chocolates/chips/food

(Food needs to be still in the original bag or wrapper for hygiene reasons, any food stuff that is not wrapped cannot be sold!).

Or anything else kids would love!

Any size **zip lock** bags can be used (Zip lock bags range from quite small up to A4 size). If you would like to donate a large prize that won't fit in a zip lock bag, it is fine to send it in not bagged.

If it is easier for your family to just donate a bag of wrapped chocolates (eg. Freddo Frogs, Mars Bars) this will count as 5 prizes for your child's class total (and will then be placed in zip lock bags at school).

Please start sending in bags ASAP.

***As classes bring in prize bags, we are going to keep a tally.
The class with the most prize bags will be announced on Friday 31st March!***

Thank you so much for your support!

The teachers, staff and students of Y3/4
