Dear Parents/Carers,

9/10 Outdoor Education B students will be embarking on a practical lesson based outside of the school grounds. Students will experience abseiling/caving on excursion at Wee Jasper. This is an enrichment task that combines many of the skills and theory lessons at school. The Abseiling/Caving will be run by K7 Adventures, who are highly experienced Outdoor Activities group. Students will be out of class for the whole day. **Please note, students must be up to date with all course work before being allowed to participate in practical excursions outside school grounds.**

9/10 Outdoor Education – Thursday 17 August 2017

The ACT Department of Education and Training is an agency of the ACT Government (the Territory). The Territory has insurance arrangements in place in order to meet certain liabilities. The Territory meets claims (including claims resulting from school activities or excursions) against it where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which the injury or illness was sustained. Parents should obtain their own advice about private insurance protection that may assist in meeting expenses if their child is injured or suffers an illness in circumstances where there is no liability on the part of the Territory.

If the outside provider of the service or activity has requested that you sign a waiver or disclaimer statement, the ACT Department of Education and Training recommends that you consider carefully any risks involved before proceeding.

- I authorise the teacher in charge of this excursion to make arrangements for the welfare of my child, including medical or surgical treatment in an emergency. I also agree to meet the costs associated with any emergency arrangement.
- I agree to meet the costs associated with any emergency arrangement made by the teacher-in charge (free ambulance transportation applies only in the ACT)
- I agree that my child will be under the authority of the school for the duration of the excursion, and that the teacher in charge is authorised to return the student home at the expense of the parent/guardian if the teacher in charge considers that the circumstances warrant such action.
- Please complete the attached medical form which will include information about current medical requirements and/or other needs of the child relevant to the activity
- The Excursion Medical Information and Consent Form must be completed and returned to the school prior to the excursion.
- I understand that video and photographic material may be taken of my child on the excursion for assessment, display, moderation and publicity purposes and give permission for this to occur.

As outdoor adventure activities are generally optional enrichment activities, payment is required to cover costs. Schools have an equity fund that can be used to provide financial assistance for students whose parents are unable to make the requested contribution.
