

Harrison School Newsletter 5 December 2017

Dear Parents and Carers,

Celebrations

It's hard to believe that we are almost at the end of term 4. Last week we were treated to your children showcasing their learning through the Exhibitions of Learning and amazing concerts. It was great to see the quality of work in the years 7 - 10 e-portfolios and I hope you had a chance to sit with your child, talk through their learning and complete the questionnaire. It was equally as great to talk to the very excited children who performed in the concert and I hope you enjoyed the show. We also farewelled our cohort of lovely year 10 students on Friday and as always, it was a bittersweet experience. On one hand it is great to see the confident young men and women we have nurtured preparing for the next stage of their learning. On the other hand, they are great kids and we will miss them. We do at least get to celebrate their achievements at the year 10 graduation and formal tomorrow night.

We have two other celebrations during the week as well. On Thursday we have our ACE Awards ceremony, where we celebrate the academic and sporting achievements, efforts and community contributions of students from preschool to year 10. We also have a year 5/6 celebration and acknowledgement of the transition to year 7 happening on Friday morning. While it is a hectic time of year, as a principal, it is a terrific one.

Reporting on Student Achievement

Shortly you will receive the end of semester report for your child/children. I hope your children have achieved strong growth in their learning and that they are able to talk through this with you. I encourage you to take the time to have these conversations and ask your children questions like:

- "What surprised you in your learning this semester?"
- "What are you most proud of in your learning and why?"
- "What's one area that you think you would like to improve on
