

Preschool Instructions

15 May 2020

Dear Parents and Carers,

As you may be aware, face to face learning will recommence for students in preschool, kindergarten, year 1 and year 2 as of Monday 18 May and I can certainly attest to the fact that the staff here at Harrison are looking forward to welcoming everyone back.

To ensure a COVID safe learning environment, we have implemented a number of procedures to limit the number of adults visiting the school at any one time. Please see below,

- We respectfully request that parents and carers only come on site if it is completely necessary (walking younger students to the outside of their building without crowding entrance ways)
- We ask that parents or carers do not enter classroom buildings at any time. This will help us maintain social distancing requirements
- If parents are on site, it is their responsibility to maintain social distancing requirements from other adults and limit their time on school grounds as much as is practicable
- All playground equipment is closed to everyone before and after school. Equipment will be disinfected four times daily and students will only be given access to the equipment during supervised play times
- Entry points exit points and traffic flow will be clearly marked. Please follow the posted instructions. More information on access points follows

Entry Points

Main front gate at the administration building

Main back gate adjacent to the gym

Exit Points

Gate between the hall and preschool

Back gate south side of gym (near outdoor basketball and tennis courts)

Gate leading out to the north oval (from junior basketball court near the bike track, fixed equipment and sandpit play area)

Thank you for your cooperation and understanding.

Kind regards,
Dan Breen
P-6 Principal

We ask that in the morning students arrive at school as close to 9am as possible.

Only students in J. Church/E. Hendry group or S. Home group enter the preschool playground via the large double gate located near the demountable at morning drop off. Parents of these children need to provide supervision prior to 9am in the preschool playground and hand over to teachers at the classroom door at 9am or any time thereafter. Unfortunately at this point in time, parents/carers are asked to remain outside classroom areas so that social distancing requirements can be maintained.

Parents of students in DeAngelis are asked to assemble at the Music portable situated alongside the Preschool demountable at 9am. Children and families do not need to enter the preschool playground for morning drop off or afternoon pick up. Parents are asked to supervise students until 9am handover with preschool staff.

Students in preschool DeAngelis group will be walked to their regular classroom shortly after 9am by preschool staff to engage in the daily learning program. Unfortunately at this point in time, parents/carers are asked to remain outside classroom areas so that social distancing requirements can be maintained.

Preschool Monday/Tuesday BD –B. DeAngelis

Morning drop off – please do not use the latched gate. Follow the red fence toward the basketball court area where there will be a wide gate open. Direct students to enter the classroom directly next to the gate. Unfortunately, we ask that adults do not enter the building. Thank you for your cooperation.

Afternoon pick up – Students will be walked to the sign posted pick up point located in the outdoor area on the junior basketball court, close to the portable classrooms. Please wait to meet your child there and ensure that social distancing is maintained whilst waiting for students.

Preschool Monday/ Tuesday EH – E. Hendry

Morning drop off – please do not use the latched gate. Follow the red fence toward the basketball court area where there will be a wide gate open where you can enter the preschool playground. Direct students to enter their classroom. Unfortunately, we ask that adults do not enter the building. Thank you for your cooperation.

Afternoon pick up – Students will be walked to the sign posted pick up point located in preschool playground, close to the classroom. Please wait to meet your child there and ensure that social distancing is maintained whilst waiting for students.

Preschool Monday/Tuesday SH – S. Home

Morning drop off – please do not use the latched gate. Follow the red fence toward the basketball court area where there will be a wide gate open where you can enter the preschool playground. Direct students to enter their classroom. Unfortunately, we ask that adults do not enter the building. Thank you for your cooperation.

Afternoon pick up – Students will be walked to the sign posted pick up point located in preschool playground, close to the classroom. Please wait to meet your child there and ensure that social distancing is maintained whilst waiting for students.

Preschool Thursday/Friday BD – B. DeAngelis

Morning drop off – please do not use the latched gate. Follow the red fence toward the basketball court area where there will be a wide gate open. Direct students to enter the classroom directly next to the gate. Unfortunately, we ask that adults do not enter the building. Thank you for your cooperation.
