

# HARRISON SCHOOL AWARD SYSTEM

At Harrison School we recognise student achievement and effort through a system of awards.

The award system supports classroom reinforcement and Management strategies. Harrison Awards can be given by any member of staff across a number of learning environments and are cumulative.

When a student has collected 10 Harrison Awards they receive a Principal's Award and a school pen or pencil.

School certificates are handed out at the Preschool – Yr. 4 and Yr. 5 - 10 assemblies. School certificates count as two (2) Harrison Awards.

When a student has earned five (5) Principal's Awards they receive a school drink bottle and a voucher for the canteen.

For ten (10) Principal's Awards, a student will receive a voucher for the canteen and a uniform free day for their home group.

When a student reaches 15 Principal's Awards, they receive a gold certificate, medallion and their name is recorded on the school honour board. A special event will be organised for their home group.

## **SCHOOL CERTIFICATES**

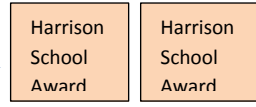

At the Preschool – Yr. 4 and Yr. 5 - 10 assemblies a student may receive a school certificate to recognise excellent achievement in learning, or citizenship, or improvement and effort towards learning. These certificates are awarded by homeroom teachers in Preschool – Year 4 and subject or elective teachers in Years 5 - 10. Home room teachers, subject or elective teachers can nominate one (1) student per assembly.

## **ACADEMIC, CITIZENSHIP or ENDEAVOUR (ACE) AWARDS**

The ACE awards are awarded annually at the Whole School Annual Presentation Assembly. Students receiving these awards have displayed outstanding achievement in learning, improvement and effort towards learning or citizenship through the school values. Students receive a Harrison School medallion and certificate. Each home room group teacher awards one ACE award for Academic, one for Citizenship and one for Endeavour. Specialist teachers also have the opportunity to award one ACE award that may cover Academic, Citizenship or Endeavour. A student may receive more than one ACE award.
