

Permission for Web Based Service Provider – Seesaw

Dear Parents and Carers,

Harrison School is committed to enrich the learning of each and every student. One way we do this is through the use of technology in the classroom. Teachers at Harrison utilise a variety of Web Based Service Providers – Some of which you will be familiar with. These systems provide a variety of resources for students and teachers to use that cannot be provided by other means. Most of these services can also be accessed from any web-enabled device, allowing our students to continue with their learning anywhere.

As our school wishes to register with a web based service provider that requires some personal information about students, I am obliged under the Information Privacy Act 2014 to advise you of the reasons for collecting the information, what will be done with it, the consequence of not collecting it and who else may have access to it.

This year, teachers in Kindergarten will be utilising the Seesaw application to document student learning and progress as well as sharing this learning with families. The brochure enclosed provides information on the benefits of this web-based tool.

In order to pay for this application for the year we are asking that each family contribute **\$5.50** for the cost.

Please complete the attached form and return to your child's teacher by:
Monday February 17, 2020.

If you require any further information please do not hesitate to contact us.

Kind Regards,

Kelly Dunstan
(Foundation Team Leader)

Seesaw Parent/Guardian Permission
