Preschool Nutrition Magician

This term, our integrated inquiry focus, 'Who Am I?', is exploring our identities and how we stay safe, happy and healthy. As part of this integrated inquiry, we are excited to offer students an opportunity to see 'The Nutrition Magician: Superkids Show'. During this performance, every child will learn that they have the power to take control and become a healthy, happy person; empowering them with the knowledge to become a "Superkid".

What to bring:

If students have additional needs who might require variations on seating arrangements or sensory manipulatives, these will be bought as required.

Staff accompanying students will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

I authorise the teacher in charge of this incursion to make arrangements for the welfare of my child, including medical or surgical treatment in an emergency. I also agree to meet the costs associated with any emergency arrangement.

I agree that my child will be under the authority of the school for the duration of the incursion, and that the teacher in charge is authorised to return the student home at the expense of the parent/carer if the teacher in charge considers that circumstances warrant such action.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an incursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

While all contributions towards school events are voluntary, we welcome the support of our parent community, so that this is a viable outing for all students. If you have concerns about the payment, please contact the Principal or Corporate Manager on 6142 2200.

Regards

Justine Church
