INCURSION INFORMATION

We have a fantastic opportunity for our 7 – 10 students to experience a performance by one of Australia's top theatre companies, Bell Shakespeare, right here at Harrison. The performance, 'Shakespeare is Dead', will enhance student's understanding and enjoyment of Shakespeare and we strongly encourage everyone to attend.

Shakespeare is Dead

It's been 400 years since Shakespeare's death – why are we still performing his plays? We chart through ironic characters, scenes, plot devices, language techniques, the dreaded iambic pentameter and key information about the world of William Shakespeare.

Please note: there is only 180 spaces available for this performance. Spaces will be allocated to the first 180 students who return their permission note and payment.

Staff accompanying students for incursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities

I authorise the teacher in charge of this incursion to make arrangements for the welfare of my child, including medical or surgical treatment in an emergency. I also agree to meet the costs associated with any emergency arrangement.

I agree that my child will be under the authority of the school for the duration of the incursion, and that the teacher in charge is authorised to return the student home at the expense of the parent/carer if the teacher in charge considers that circumstances warrant such action.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an incursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

While all contributions towards school events are voluntary, we welcome the support of our parent community, so that this is a viable outing for all students. If you have concerns about the payment, please contact the Principal or Business Manager on 6142 2200.
