## **Harrison School Landscaping Reinstatement Community Update**

Dear Parents and Carers,

### **Harrison School Landscaping Reinstatement Community Update**

We are delighted to inform you that Able Landscaping has been chosen as the successful tender for the reinstatement of garden beds at Harrison School. Works could commence as soon as Monday 24 June 2019.

The garden beds will be reinstated and completed in sections throughout the school. Each of these sections will be fenced off while the work is being done to ensure the safety of our school community. In addition to this measure, the contractors will have designated personnel to assist staff and students to move safely around the school grounds, while this project is completed. Subject to weather, the estimated time of completion is the end of Term 3.

Kind Regards  
Jacqui Ford  
Principal Yr. 7 - 10
