Australian Indigenous Mentoring Educators (AIME) Program

Dear Parents/Carers,

As one of the programs at Harrison School we are proud that we have committed to the AIME program to help and support Indigenous students in mentoring and education. The program has been rolled out as a year 9 to 10 Indigenous mentoring program in schools working with AIME.

We have been lucky enough to have a year 9/10 number of events that will be conducted at UC, ANU and ADFA that will excite our students. The session will help students understand the concept and values of AIME and how AIME helps Indigenous students with the concept that 'AIME = SUCCESS'
