Harrison School Locker Agreement

Students who wish to hire a locker from the school must agree to the following terms and conditions.

I/We agree to pay \$15 for the purchase of a lock and a \$20 hire fee per year (or part thereof) for hire of a locker. Lockers are subject to the following conditions in line with the Harrison School values:

- I agree that I will respect school property and that if I cause damage to a locker, the deposit can be used to pay for repairs.
- I agree that I will take care of my locker and keep it clean, hygienic and in good condition at all times.
- I agree to ensure the locker is cleaned out when requested.
- I will only use a lock purchased through the school on school lockers.
- I will only keep property that is in line with the school's values and polices in my locker.
- I agree, if there is any reasonable cause for concern, to permit an inspection of my locker by an executive staff member of the school in my presence.
- I agree to designated staff holding the combination to my locker.
- I understand that if my lock is damaged or becomes faulty it will need to be replaced with a new school lock at my expense.

Lockers need to be emptied and cleaned at the end of the school year and students are required to remove their locks and take them home.

All items left in the locker at the end of the year will be disposed of.

If locks are left on lockers they will be removed and students will need to purchase a new school approved lock.

Lockers will be allocated to students at the start of each school year upon payment of locker hire fee.

Lockers are not transferable to other students, including siblings. The locker is assigned to one student only.

Locks can be transferred to another family member or donated to the school when finished with.

Locks have been tested prior to sale and are sold in full working order.
