

## Harrison School Locker Agreement

Students who wish to hire a locker from the school must agree to the following terms and conditions.

I/We agree to purchase a \$15 combination lock from the school and use this exclusively on my locker only. (NO other locks are permitted)

I/We agree to pay \$20 non-refundable locker hire fee per year. This fee covers the cost of maintenance and replacement of lockers.

When hiring a locker, students agree to the following in line with the Harrison School Values:

- I will respect school property and care for my locker
- I will ensure my locker is clean, hygienic and in good condition at all times
- I agree to clean out my locker when requested
- I agree to only use the school purchased lock for my locker
- I will only keep property in line with the school values and policies in my locker
- I agree, that if there is reasonable cause for concern, to permit an inspection of my locker by an executive staff member of the school in my presence
- I agree to designated staff holding the combination of my locker
- I understand that if my lock is damaged or become faulty I will need to replace it with a new school lock at my own expense

Lockers must be emptied and clean at the end of the school year and students are required to remove their locks and take them home.

If locks are left on lockers they will be removed and students will need to purchase a new school approved lock.

All items left in the locker at the end of the year will be disposed of.

Lockers will be reallocated to students at the start of each school year upon payment of the locker hire fee.

Lockers are not transferable to other students, including siblings. The locker is assigned to one student only.

Locks have been tested prior to sale and are sold in full working order.
