

Dear Parents and Carers,

We value the importance of learning through play at Harrison Preschool. Through play children can develop social and cognitive skills, mature emotionally, and gain the self-confidence required to engage in new experiences and environments.

At Harrison School, parents of students in kindergarten to year 10 are asked to purchase a stationery pack for a range of class supplies. In place of a stationery pack, we are asking preschool families to contribute to a resources payment.

This resources payment will be utilized to supplement the resources already supplied by the school to purchase a range of equipment and materials to support your child to make sense of the world around them including:

Sensory resources	\$7.50
Art and construction resources	\$10.00
STEM (Science, Technology, Engineering, Mathematics) resources	\$20.00
Fine motor resources	\$7.50
Facial tissues	\$2.50
A4 Copy paper	\$4.75
Total	\$52.25

All contributions at an ACT Public school are voluntary and we welcome the support of our parent community towards the learning outcomes of our students. If you have any concerns about the payment, please contact the Principal or Corporate Manager on 6142 2200.

Kind Regards,
Kelly Dunstan

Please note: The payment of this financial contribution is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential. Thankyou
