Preschool Resource Pack Contribution 2026

Dear Families,

We value the importance of learning through play at Harrison Preschool. Through play children can develop social and cognitive skills, mature emotionally, and gain the self-confidence required to engage in new experiences and environments.

At Harrison School, parents of students in Kindergarten to Year 10 are asked to contribute to a stationery resource pack for a range of class supplies. In place of a stationery resource pack, we are asking preschool families to contribute to a resource contribution.

We are requesting a resources contribution of \$85.00 per Preschool student for 2026. This contribution will be utilised to supplement the purchase of a range of consumables to support your child to make sense of the world around them including:

- Sensory resources
- Art and construction resources
- STEM (Science, Technology, Engineering, Mathematics) resources
- Fine motor resources
- General Student Stationery Resources
- Subscription for Web-based Service Provider – Seesaw (this is the main platform for teacher-parent communication regarding your child’s learning)

If you have any concerns about the payment, please contact our Business Manager on 6142 2200.
