

## **ACCESS TO HARRISON SCHOOL SURROUNDING AREAS IN 2024 PERMISSION NOTE**

Dear Parents and Carers,

We regularly use the parks, playing fields and tracks surrounding our school for a range of teacher supervised learning *activities* that include:

- Physical Education classes
- Class incursions/excursions
- Sporting Carnivals, Sporting Clinics & Cross County events

To access these areas, students will occasionally walk near, or across roads. To ensure student safety, we undertake risk assessments and implement safety protocols for these activities. Accompanying staff member/s take all reasonable care to ensure student safety, supervise their behaviour and learning activities.

The specific streets and locations surrounding the Harrison School campus (refer to map below) which students will access are:

- Wimmera Street
- Nullarbor Avenue
- Mapleton Avenue
- Katoomba Street
- Wells Station Property
- Harrison District Playing Fields

All students are expected to always behave responsibly. Parents should be aware that staff members are not responsible for injuries or damage to property where students do not follow instructions or behave responsibly.

Your support in this matter is greatly appreciated

Ben Davies  
Executive Principal

20 Wimmera Street Harrison ACT 2914
